

## **HOUSING**

The Housing Ministry of the Diocese seeks to assist in meeting the needs of families living in extreme poverty who are unable to access shelter for themselves and their families. Since 1999, the housing ministry has provided over 1500 homes to families in need. In addition, a large number of individuals and institutions have also received partial assistance in rehabilitating their homes or other buildings.

### **Mission Opportunities**

- *House building*

*Assisting the local housing team in the construction of the house.*

- *Sponsorship of a house.*

*The cost of sponsoring a single room house is US \$3000.00 and a double room house costs US\$6,000.*

- *Property maintenance/upgrade*

*You may choose to participate in painting or repairing our schools and clinics based on the scheduled maintenance activities at the time of your visit.*
